

Avishkar: - 2019-2020.

University Level Research Competition Report

A novel inter-university research project competition named 'Avishkar' was initiated by Shri. S. M. Krishna, the then Governor of Maharashtra in the year 2006. This activity is unique in its nature & our institute has also taken special effects to increase the participation of the talented students from rural & urban areas.

University level avishkar competition of Dr. Babasaheb Ambedkar Technical University was held at Dr. Babasaheb Ambedkar Technical University, Lonere. Winners of all zonal level competition were participated in university level research competition. Dr. S. V. Khobragade was the university coordinator of avishkar 2019. Around 78 participants from various zones were participated under UG and PG category. Miss. Mahadevi Bhosale and Miss. Snehal Patil (winners of zonal level under PG category) have participated in competition from our institute.

The event was held at DBATU, Lonere campus on 3rd January 2020. The registration started at 8.30 am. The event was inaugurated by vice-chancellor of the university Prof. V. Rama Sastry registrar Prof. M. Sadaiah, university coordinator Dr. Khobragade and Principal and all zonal coordinator.

The event was judged by two judges from faculty of various disciplines and two judges from the DBATU. Miss. Snehal Patil bagged second prize in post graduate category in medicine and pharmacy discipline in university level research competition. Precident Dr. Dilipkumar Ingole, Principal Dr. M.S. Patil, InSTITUTE Avishkar coordinator Dr. M. G. Shinde and Mr. A. D. Mali and all teaching & non-teaching staff congratulate students for their grand success.
